Booking Procedure - Please read carefully before booking

Payment

We will take bookings on a 'first come, first served' basis. Payment is due at the time of booking. You can make payment over the phone by credit/debit card, pay online through internet banking or bring cash or cheque to the office by the end of the day you make the booking. We will not make any exceptions to this rule—if payment isn't received by the end of the day, your place will be released the following morning for others to book.

Places available

The London Borough of Bexley fund 15 places per day at this scheme with a mixture of care ratios. **The criteria for places is for children and young people with physical disability, ASD with severe learning disability, severe learning disability, sensory impairment or profound and multiple difficulties. You must be known to the Disabled Children's Service.**

Once these places have been filled or if your child does not meet the criteria but would benefit from a place, it may be possible for places to be purchased at the following rates :

£89 per day for children requiring one to one support

£48 ** per day for children requiring one to two support

£25 ** per day for children requiring one to four support

You may use Direct Payments or other funding sources to pay for places as above. Bexley Snap retains the right to determine the ratio of staffing required for your son/daughter.

Children/young people requiring 1:1 support will only be able to book one day initially as there are less places available at this ratio. You can request additional days which will be allocated closer to the holiday period if there are spaces remaining.

In addition, there will be up to 6 places available on Friday for siblings aged 5-11 years old. This is charged at £12 per day.

Cancellations

The following cancellation fees apply:

5 **full** working days or longer to the date you are cancelling—full refund minus £3 admin fee.

2 to 4 **full** working days - 75% plus a £3 admin fee.

Less than 2 **full** working days—no refund will be given.

Our scheme is a 6 hour day but you may be able to pay to extend the day from 9am to 5pm when staying onsite. The maximum cost for each additional hour is £13.66 although this may be shared, if appropriate with another family also booking extended times. Please contact the office for more details.

** These prices assume full ratio filled

Please ring the SNAP Office on 01322 334192 for bookings and card payments.

For online payments please use your child's name as a reference and make payment to Bexley Snap account 10354301, sort code 60 15 28 the same day as reserving your place.
